Central Concern Stock To Be Exchanged for Shares in Thirtythree Companies.

TRUST DISSOLUTION

STANDARD OIL BEGINS

### MONOPOLY LITTLE SHAKEN

Belief Is That Community of Interest Will Continue to Give Organization Advantage Over Competitors.

Formal announcement was made vester day by the Standard Oil Company of New States Supreme Court, by distributing rata among its shareholders the stock orations which had been adjudged

vidual defendants, an illegal combination. e have been many rumors since th handing down of the Supreme Court's de ision on May 15 of alleged plans for workto avoid actual dissolution of the "trust original parts, one report having transporting and selling oil.

The Supreme Court, however, in sum-

the transfer by the New Jersey corporation back to the stockholders of lous subsidiary corporations entipany in exchange for its stock."

command, the Supreme Court said was "clearly appropriate," and the Standard Oil management has proceeded in strict compliance with it, as The Tribune nearly month ago said would be its course.

### Secretary Announces Plan. statement issued to the stockholders

of the Standard Oil Company of New Jer-

secretary, is as follows:

sedience to the final decree in the case,
the United States against the Standard
Company (of New Jersey) and others
bures this company to distribute, or
se to be distributed, ratably to its stockfers the shares of stock of the followconsorations, which it owns directly or
ough its ownership of stock of the Nacal Transit Company, to wit. The Anglocal Company, Company, Cheseugh Manufactusins Company, Consolied. Colonial Off Company, Consolied. Colonial Off Company, Contential
Company, Crescent Pipe Line Company,

pany. Washington Oil Company and Waters Pierce Oil Company.

Such distribution will be made to the stockholders of the Standard Oil Company of New Jersey of record on September 1.

1911. and for that purpose the transfer books of the company will be closed on August 31. 1911. at 3 o'clock p. m. and kept closed until the date when sald stocks are reedy for distribution, which it is expected, will be about Piecember 1. 1911.

Notice of the fate when sald stocks are to be distributed and of the reopening of the books will be duly given.

The stock was ruling around 650 in the middle of May, when the Supreme Court banded down its decision and advanced to be paided down its decision and advanced to the panded to th

The Circuit Court dismissed the operation or carrying out of the combina Ten of these companies were liqui dated and ceased to exist before the filing AMERICAN TOBACCO PLANS of the petition. Sixteen were natural gas companies, the remaining seven being the Florence Off Refining Company, the United Oil Company the Tidewater Oil Company the Tidewater Pipe Company, the Platt & Washburn Refining Company, the Frank-

### THINK WOMAN MURDERED WIFE SUES. BLAMING AUTO Medical Examiner Says Mrs. Nickerson Met with Foul Play.

Boston, July 31 - Medical Examiner Stimwho performed an autopsy on the body of Mrs. Lillian C. Nickerson, of Jamaica Plain (Boston), reported to Attorney

d from Boston to New York to visit her and whose body was found last Thursday skull had been fractured as though by a blow. The absence of water in the lungs showed that the woman was dead before she hit the water.

Attorney General Greenough to-day dered an inquest in the case. Neighbors of Mrs. Nickerson declare that man, who is now being sought to throw light on the mystery, drove up with Mrs Nickerson to No. 20 Eggleston street late SUES TO GET PARK CONTRACT

ne night shortly before she disappeared

Mrs. Lillian Nickerson, whose body was heir car was wrecked. Her appeals to found off Little Compton, R. I., last Saturhim to consider the honor of the family day, returned to his home, No. 182 Herkiwent unheeded. Mrs. Spruessig complained mer street, Brooklyn, yesterday. He said that he was sure that the woman had not thrown herself from the Joy liner Georgia while on her way from Boston to this city. He could give no reason why any one should have wished to attack her, unless with the blect of robbing her. She left her home, Jamaica Plain, Mass., evidently much trouble came about through the jealousy pleased with the invitation which she had received from her mother-in-law, Mrs. Edward J. Granville, to visit her in Brooklyn.

## ONLY THREE CHOLERA CASES

### Health Officers Now Regard Danger of Epidemic Here as Over. Only three cases of cholera remained last

night at the Swinburne Island Hospital, at Quarantine, where two weeks ago there were eighteen. The other fifteen patients. it was said at Quarantine, have been dis charged as cured from time to time and have taken their places among the immigrants at Ellis Island seeking admission to the country. Health Officer Doty and his assistants expressed the belief that danger of a cholera invasion was now at a

Hoffman Island, the detention ground for minigrants from cholera infested ports, has resumed its normal aspect. Thirty cholera is regarded as possible are detained there. Three of these were taken yester-day from the steamer Berlin, from Naples. The ship, which has been detained since July 26, was given a final inspection and released last night. The cabin passengers of the Duca di Genova were discharged yes-

## New Orleans, July 31. The first bale of

Louisiana's new crop of cotton was sold weighed 570 pounds and was produced at Rayne. This cotton arrived nine days eat; Fer than the first bale of last season's in this section of Kansas early this morning gave a rainfail of 1.8 inches.

Montclair, N. J., July 31.-Dr. W. S Grady, twenty-five years old, who was gen erally regarded as one of the bright young physicians in town and who was also a so cial favorite, is being sought by detectives from the office of Prosecutor Mott, who have a warrant to serve on him, charging him with practising medicine in the state without a license Dr. Grady has been on a

vacation since Wednesday. At No. 42 North Fullerton avenue, where the doctor lived with his sister, it was said to-day that Dr. Grady was expected home last night, but failed to arrive or send any word. Dr. Grady was received in the homes of

citizens. Wells said he noticed some time Mable, of Montelair, and Dr. Robert S. days. cates did not appear genuine, and he conpractising without a state license.

The matter was called to the attention gation he had a warrant issued for the arrest of the doctor. Dr. Grady took the state examination in June, but failed to

### RESTRAINS COPPER MERGER Michigan Court Grants Injunction in Calumet-Hecla Case.

Lansing, Mich., July 31.-In granting emporary injunction to-day to Charles H. Turner and other minority stockholders of the consolidation of that and copper mining companies of Michigan Judge Wiest, of the Ingham County Cir. uit Court, held that the state statute relang and the examination of witnesser

Neca, Superior, Allouez, Centennial Coppe and the Tamarac

On June 30 the Secretary gave me a few minutes' hearing, but was called away and, retaining my brief, promised to send for me again. He did not do so, but on the 26th of this month wrote again, calling for my resignation. I asked until to-day to prepare my answer and file formal accusations against Mr. Uhler. He granted no delay, and on the 28th wrote that the name of my successor had been sent to the Senate.

The court declared that if the Michigan state law, which limits the amount of capital stock of such mergers to \$10,000,000, allows the proposed merger to be completed with \$10,000,000 capital stock and \$22,000,000 in capital, the act simply operates to save the corporation from paying a franchise fee upon all above \$10,000,000 and prevents its true capital and capital stock from being disclosed.
